

Our commitment is to assist people in maintaining their families and careers.

Our approach is active, direct, validating and affirming.

Our staff consists of licensed professionals specializing in mental health and recovery issues. We are skilled in collaborating with all parts of the client's professional community.

The Connection Center will provide individual, family and group counseling in order to produce changes in thinking and behavior leading to fulfilled and responsible living.

The Connection Center has partnerships with many insurance companies to accommodate those wanting to use insurance for our services. We also accept fee for service payments.
